

*Annex 8*

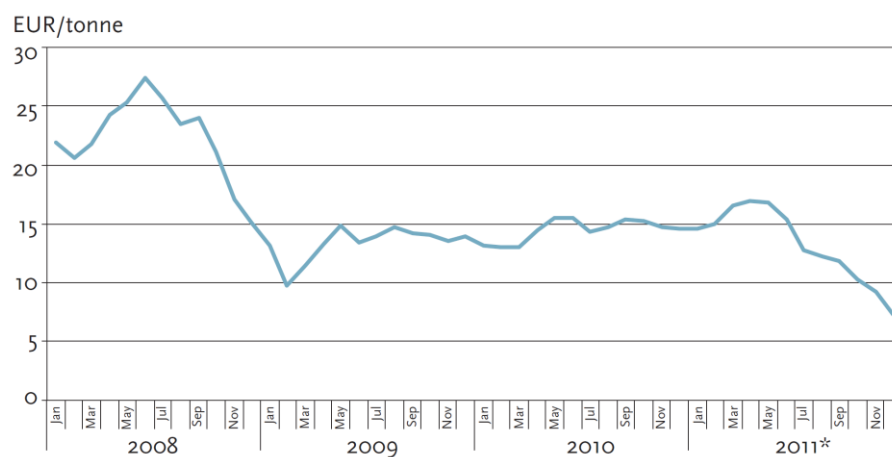

Prices of emission allowances  
(RiR2013:19)

## Annex 8, Prices of emission allowances

During the second trading period the price of emission allowances rose initially but then fell to EUR 10 per tonne at the beginning of 2009. After that prices have been between EUR 15 per tonne until October 2011, when the price again fell. See Figure J below.
